Categoria di peso: JUN SEN MASTER femminile -52 kg

Diagram illustrating the execution of a parallel merge sort algorithm. The diagram shows two parallel processes, 1 and 2, each performing a merge sort on a list of 10 elements.

Process 1:

- Initial list: `YAUD ROSSI, Giorgia`
- Split into two sublists: `YAUD` and `ROSSI, Giorgia`
- Sort each sublist (indicated by `1` and `3` in the diagram)
- Merge the sorted sublists into a single sorted list (indicated by `0` in the diagram)

Process 2:

- Initial list: `.....`
- Split into two sublists: `.....` and `.....`
- Sort each sublist (indicated by `1` and `3` in the diagram)
- Merge the sorted sublists into a single sorted list (indicated by `0` in the diagram)

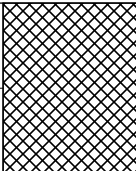

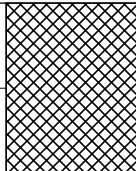

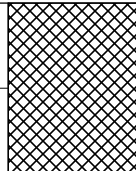

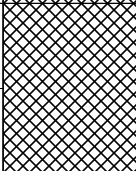

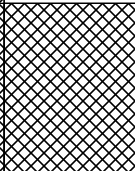

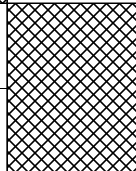

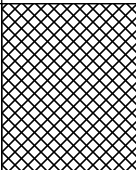

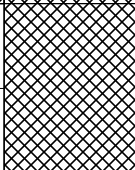

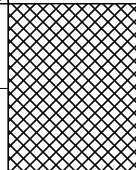

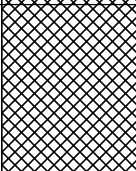

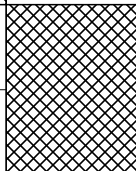

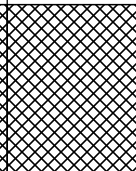

The final result is a sorted list of 10 elements: `....., ....., ....., ....., ....., ....., ....., ....., ....., .....`
